

Participating Pharmacy Directory

FOR THE ENHANCED AND BASIC MEDICARE RX OPTIONS

This booklet provides a list of the HOP Basic & Enhanced Medicare Rx Plan participating network pharmacies. *This directory is current as of 11/28/05.* Pharmacies may have been added or removed from the list after this directory was printed. Therefore, all network pharmacies may not be listed in this directory and *the fact that the pharmacy is listed in the directory does not guarantee that the pharmacy is still in the network.* To get current information about participating network pharmacies in your area, please visit HOP website at www.HOPbenefits.com or contact HOP Customer Service at 1-800-773-7725, 24 hours a day, 7 days a week. (TTY/TDD users should call 1-800-899-2114.)

Introduction

This booklet provides a list of participating HOP Basic & Enhanced Medicare Rx Plan network pharmacies and includes some basic information about how to best utilize the pharmacy network to have your prescriptions filled. A complete description of your prescription drug coverage, including how to have your prescriptions filled, is included in the Evidence of Coverage document.

We call the pharmacies on this list our “network pharmacies” because we have contracted with them to dispense prescription drugs to HOP Basic and Enhanced Medicare Rx Plan beneficiaries. A network pharmacy is a pharmacy where beneficiaries can obtain prescription drug benefits provided under the HOP Basic & Enhanced Medicare Rx Plans. Your prescription drug claim can be processed at the point of sale whenever it is filled at a participating network pharmacy or through our mail order pharmacy service. Once you go to

a particular pharmacy, you are not required to continue going to the same pharmacy to fill future prescriptions; you can go to any of our network pharmacies. We will reimburse beneficiaries for covered prescriptions filled at non-network pharmacies under certain circumstances as described later.

Can the list of network pharmacies change?

Yes, although it is very unusual for a pharmacy to leave the network, the HOP may remove or add new pharmacies to the network directory. To get current information about HOP Basic & Enhanced Medicare Rx Plan network pharmacies in your area, please visit our website at www.HOPbenefits.com or call HOP Customer Service at 1-800-773-7725, 24 hours a day 7 days a week. (TTY/TDD users should call 1-800-899-2114.)

How do I find a HOP Basic & Enhanced Medicare Rx Plan network pharmacy in my area?

To find a retail pharmacy in your area:

- **Chain Pharmacies** are listed alphabetically beginning on page 5. If a chain is listed this means that all pharmacies in the chain are in the network. The chain pharmacies all have a toll free number and/or website you can access to find a local chain pharmacy.
- **Other Retail and Independent Pharmacies** are listed by state, county, and then city beginning on page 6.

The HOP website, www.HOPbenefits.com provides access to a lookup tool to help you locate a chain or independent retail pharmacy in your area.

Information on our Mail Order Pharmacy can be found on page 16.

Information on Home Infusion Pharmacies can be found on page 16. The Home Infusion Pharmacies are listed by state, county, and then city.

Information on Long Term Care Pharmacies can be found on page 16. The Long Term Pharmacies are listed by state, county then city.

Information on I/T/U's can be found on page (not applicable). The I/T/U Pharmacies are listed by state then city.

For further assistance you can visit our website at www.HOPbenefits.com or call our Customer Services at 1-800-773-7725, 24 hours a day 7 days a week. (TTY/TDD Users should call 1-800-899-2114.)

How do I fill a prescription at a network pharmacy?

To fill your prescription at a network pharmacy, present the prescription order received from your physician along with your HOP Basic or Enhanced Medicare Rx Plan member ID card to your pharmacist. With each prescription

order or refill you can obtain up to a 31 day supply of your medication. As an added HOP service, many participating retail pharmacies offer the option of obtaining up to a 90 day supply of maintenance medications. You can consult with your local pharmacist about the availability of this service. More information about this program is included in your Evidence of Coverage document.

If you do not have your ID card with you when you fill your prescription, you may have to pay the full cost of the prescription rather than paying just your co-insurance. If this happens, you should request reimbursement of the plan's share of the cost by submitting a paper claim form. To find out how to submit a claim, look in your Evidence of Coverage document or call Customer Services at 1-800-773-7725 to request a claim form.

How do I fill a prescription through the HOP mail order pharmacy service?

You can use the mail order service to fill prescriptions for what we call "maintenance drugs." These are drugs that you take on a regular basis for treatment of a chronic or long-term medical condition. When you order prescription drugs by mail, you should order at least a 31-day supply and can obtain up to a 90-day supply of the drug. If you need an immediate supply of a maintenance medication ask your physician to write two prescriptions, one for a short term supply to be filled at a local retail pharmacy and another for a long term supply to be filled at the mail service pharmacy.

To get order forms and information about filling your prescriptions by mail, call Customer Service at 1-800-773-7725 and select the mail order pharmacy option or go to the HOP website at www.HOPbenefits.com. Please note that you must use the HOP Mail Order Pharmacy; prescription drugs obtained through any other mail order service are not covered.

Filling prescriptions at a non-network pharmacy

The following are a few exceptions when we will pay for a prescription filled at a pharmacy outside of our network.

Getting coverage when you travel

If you take a prescription drug on a regular basis and you are going on a trip, be sure to check your supply of the drug before you leave. When possible, take along all the medication you will need. You may be able to order your prescription drugs ahead of time through our mail order pharmacy service. Network pharmacies are available throughout the country. If you need to transfer your prescription, call the pharmacy you wish to transfer the prescription from and ask them to transfer the prescription. You will need to provide the pharmacy with the new pharmacy name, phone number and Rx number.

If you are traveling within the United States and become ill, lose or run out of your prescription drugs, we will cover prescriptions that are filled at our network or out-of-network pharmacy. In this situation, you will have to pay the full cost (rather than paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. If you go to an out-of-network pharmacy, you may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. To learn how to submit a paper claim, please refer to the paper claims process described later.

You can also call Customer Service to find out if there is a network pharmacy in the area where you are traveling. If there are no network pharmacies in that area, Customer Service may be able to make arrangements for you to get your prescriptions from an out-of-network pharmacy.

We cannot pay for any prescriptions that are filled by pharmacies outside of the United States even for a medical emergency.

What if I need a prescription because of a medical emergency or because I needed urgent care?

We will cover prescriptions that are filled at an out-of-network pharmacy if the prescriptions are related to care for a medical emergency or urgent care. In this situation, you will have to pay the full cost (rather than paying just your co-insurance) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a paper claim form. If you go to an out-of-network pharmacy, you may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. To learn how to submit a paper claim, please refer to the paper claims process described later.

Other times you can get your prescription covered if you go to an out-of network pharmacy

We will cover your prescription at an out-of-network pharmacy if at least one of the following applies:

- If you are unable to obtain a covered drug in a timely manner within our service area because there is no network pharmacy within a reasonable driving distance that provides 24 hour service.
- If you are trying to fill a prescription drug that is not regularly stocked at an accessible network retail or mail-order pharmacy (including high cost and unique drugs).
- If you are getting a vaccine that is medically necessary but not covered by Medicare Part B and some covered drugs that are administered in your doctor's office.

Before you fill your prescription in either of these situations, call Customer Service to see if there is a network pharmacy in your area where you can fill your prescription. If you do go to an out of network pharmacy for the reasons listed above, you will have to pay the full cost (rather than paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. If you go to an out-of-network pharmacy, you may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. To learn how to submit a paper claim, please refer to the paper claims process described next.

How do I submit a paper claim?

Be sure to obtain a complete prescription drug receipt from the non-network pharmacy when you purchase your medication. To obtain a paper claim form call the Customer Service Center at 1-800-773-7725 and request a claim form. When completing the claim form you will need to refer to information on the pharmacy receipt including

the amount charged, prescription number, name of drug dispensed, manufacturer, dosage form, strength, quantity and date dispensed. Submit your claim form, and your receipt to the following address: Express Script, PO Box 390873, Bloomington MN 55439-0873. Upon receipt, we will make an initial coverage determination on the claim and determine the amount of reimbursement you are entitled to based on what the plan would have paid to a participating pharmacy for the covered medication. For additional information on coverage determinations please refer to your Evidence of Coverage or call Customer Service.

For more information

For more detailed information about your HOP Basic & Enhanced Medicare Rx Plan prescription drug coverage, please review the Evidence of Coverage and HOP Basic & Enhanced Medicare Rx Plan formulary documents, visit www.HOPbenefits.com or call Customer Services Department at 1-800-773-7725, 24 hours a day 7 days a week. TTY/TDD Users should call 1-800-899-2114.
