Do you need to cover your spouse under the Health Options Program?*

- If your spouse is not a PSERS retiree and is not Medicare-eligible, he or she must enroll in the same type of plan as you (e.g., HOP Pre-65 Medical Plan if you enroll in the HOP or Value Medical Plan, or a pre-65 Medicare Advantage plan offered by the same insurance company if you choose a Medicare Advantage plan).

Note: If you plan to enroll your spouse, elect plan options that are good for both of you. Your next opportunity to change options will be during the Option Selection Period in October.

- If your spouse is also a PSERS retiree, he or she can enroll in any option.
