Premium Assistance – only available with the Health Options Program

Eligible members receive up to \$100 a month to help pay for premiums. Over the course of their lifetime, on average, members could save up to \$24,000 or more.

Do you need to cover your spouse under the Health Options Program?*

- If your spouse is not a PSERS retiree and is Medicare-eligible, he or she must enroll in the same plan as you.
 - If your spouse is not a PSERS retiree and is not Medicare-eligible, he or she must enroll in the same type of plan as you (e.g., HOP Pre-65 Medical Plan if you enroll in the HOP or Value Medical Plan, or a pre-65 Medicare Advantage plan offered by the same insurance company if you choose a Medicare Advantage plan).

Note: If you plan to enroll your spouse, elect plan options that are good for both of you. Your next opportunity to change options will be during the Option Selection Period in October.
 - If your spouse is also a PSERS retiree, he or she can enroll in any option.
- *Restrictions may apply.
